

## Sully County Transportation Plan Update Public Meeting

Sully County is currently in the process of updating their county transportation plan. This transportation plan is required to be updated annually in order to be eligible for the local Bridge Improvement Grant fund through the State of South Dakota. As a part of the plan update, the public is invited to provide input into the proposed 5-year county highway and bridge improvement plan. The meeting will take place at 10 a.m. CST, October 3, 2017, in the Commission Meeting Room located on the basement floor of the Sully County Courthouse, 700 Ash Ave, Onida. For more information contact JJ Schall, Highway Superintendent, at (605) 258-2235.
