Miscellaneous Information		

If you are requesting a building permit for an area that must be platted, the plat must be approved and filed before a building permit will be approved.

You MUST attach a drawing "to-scale" to this permit.

This permit shall automatically expire if work has not been started within twelve (12) months of the approval date. Work must be completed within a reasonable length of time. This permit applies to the property and is valid only for the current owner(s).

*I hereby acknowledge that I have read this application and state that it is correct and agree to comply with all County Ordinances and state laws regulating building construction.*
