Miscellaneous Information					

If you are requesting a building permit for an area that must be platted, the plat must be approved and filed before a building permit will be approved.

You MUST attach a drawing "to-scale" to this permit.

This permit shall automatically expire if work has not been started within twelve (12) months of the approval date. Work must be completed within a reasonable length of time. This permit applies to the property and is valid only for the current owner(s).

I hereby acknowledge that I have read this application and state that it is correct and agree to comply with all County Ordinances and state laws regulating building construction.

*Permit holders are responsible for ensuring all utility installation (including but not limited to electrical, plumbing, water, and sewer installations) comply with applicable local, state, and federal codes and regulations. Sully County is **not** a provider of any utility services.*
