# 2024-2025 Volunteer Message

**Annual Volunteer Renewal Process, Jenae Hansen-Gross, SD 4-H Volunteer Development Field Specialist: South Dakota 4-H volunteers are essential to the mission of our program. These caring adult mentors bring forth many skills and hours of dedicated service each year to help strengthen the lives of young people. If you were a volunteer in the 2023-24 4-H program year, thank you so much! South Dakota 4-H volunteers serve one-year terms, renewable indefinitely so long as both parties (i.e., typically the volunteer and lead county 4-H professional) wish to continue the relationship. The returning volunteer indicates this interest by re-enrolling in 4-HOnline after October 1st. At this point, the returning volunteer's status is "pending." In most cases, the lead local 4-H professional will quickly approve and the 4-HOnline status will then say "active." This signifies the renewal of the relationship for the 4-H year ahead. If the lead local 4-H professional does not wish to continue the relationship or wishes to discuss role restrictions or alterations, they will communicate this to the volunteer. Each year, a few 4-H volunteers are not renewed for service. Reminder: All returning volunteers need to indicate their interest in returning. The preferred renewal date is before December 31(or other local program preferred date), but required before volunteers are allowed to do any 4-H programming or events and before September 1st. Otherwise, should they wish to return at a future time, they will have to re-start the volunteer process from scratch and pay a \$75 lapsed background check fee. Interested in becoming a new volunteer this 4-H year? Contact [Lynette Murphy Sully County 4-H Program Assistant] at the office anytime, preferably before April 1, to learn more**

- **Oct 1.** - New 4-H year rolls over
